

In 1775 Jacob married Barbara Guester or Gerster and was in the Revolutionary War; then the name changed to Swander.

John was born 19 June 1776 to Jacob and Barbara and married Elizabeth Glick, daughter of AII, Philip in 1800. They had twelve children; all except John I. Swander family came to Ohio with their Glick neighbors.

The third son of John and Elizabeth Swander was Frederick, named for his grandfather and married Eve "Polly" Glick another daughter of AII Philip.

Eve and Frederick's Mary was born 1816 and a son Daniel in 1818. At eighteen years Mary married Lewis Glick, 1st son of Johan Daniel and their children were Isaac Sylvester, Sarah (Miller), Hannah (Solt), Elizabeth (Fridley) and Levi J. who bled to death at twenty-two years and Lewis born six months after his father died in 1847. So Mary brought up six children.

Mary's great granddaughter Mabel Glick married her brother Daniel's great grandson Huber Johnston, Dec. 25, 1929. They lived in Decatur, Ill.

Catherine and Anna Swander were probably two of John and Elizabeth's twelve children. Catherine married John Glick, son of AI and Margaret Herr. Anna b 1802 married Benjamin Glick, son of AVII Peter.

Daniel (brother of Mary), 1st wife was Abolonia Hoyman who maybe was a sister of Elizabeth Hoyman who married AVII Peter's 4th son "Pony" Jacob.

"Pony" Jacob and Elizabeth died 1840 and 1842 leaving Joseph, David, Eliza and Noah (twins), Juliann and Sarah Ann (twins), and Loretta.

Daniel and Abolonia cared for Juliann and Benjamin and Anna Swander cared for Loretta.
