AV Daniel Gluck

I find there is a difference in the birth date of Daniel in the 1918 publication, page 57, if his name was Albrecht Daniel born 1752. I think David may have been born in Germany 1752 and died young in Pa and his parents buried beside him (page 34 in the 1918 Book).

A more reliable birth record of Johannes and Magdalena's three younger children are the baptism records of Rev. Daniel Schumacker's in the Evangelical Lutheran Church of Allemangel, Pa. Johan Daniel Gluck baptized July 11, 1758 at four weeks old. Witnessed by Johannes and Magdalena Gluck and sponsored by Maria and Elizabeth Mindelsin, both single. Same place George Frederick baptized Nov. 11, 1760, born four weeks before at Allemangel.

And Johan Peter born Jan 2, 1768 baptized Jan 27, 1768 at home in Allemangel.

Now, a little summary of the Daniel Glicks before listing Daniel Jr.
